Thank you Sarah.

Dave, if it's ok with you, I might ask Lance to call you directly. I'm a little buried at the moment...

Subject: Arkema Rhone Poulenc Datasets

Sean -

I spoke to Dave this morning about the available datasets for Arkema and Rhone Poulenc. It sounds like there may be some data of interest to EPA depending on the specific questions you're trying to answer. I suggest you reach out to Dave Lacey directly to discuss. His number is 503-229-5354.
